## FIRE DEPARTMENT

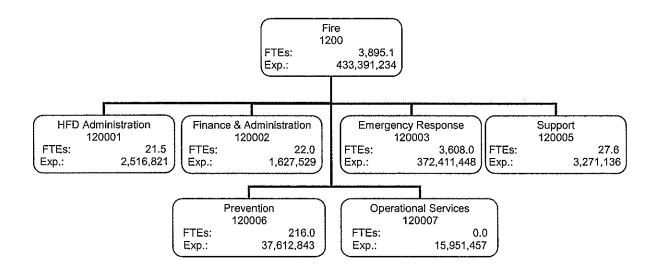

# **Department Description and Mission**

The Fire Department's primary mission is to protect the lives and property of the citizens of Houston. This is accomplished through the delivery of emergency medical services, fire suppression operations and fire prevention through inspections and public education. Additionally, through the special operations division, the Fire Department provides emergency response services for hazardous materials, technical rescue, aircraft fire fighting and rescue incidents at our airports.

The mission of the department is achieved through three operating commands: Emergency Response, Support, and Prevention, which are supported by the Finance and Administration command.

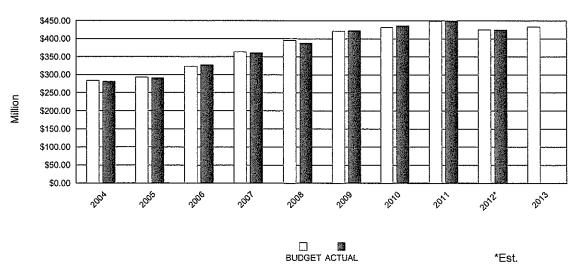

The Houston Fire Department is the largest fire department in the United States to possess a class 1 rating from the Insurance Service Organization (ISO) and is the world's largest fire department to receive accreditation from the Commission on Fire Service International.
